UNSTARRED QUESTION NO:461
ANSWERED ON:19.07.2017
Effect on Train Movement
Jardosh Smt. Darshana Vikram

Will the Minister of RAILWAYS be pleased to state:

the number of places where movement of trains was affected due to over flow of major dams in the country during the last five years?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS
(SHRI RAJEN GOHAIN)

Train movement was affected due to overflow of Ranipur dam on West Central Railway on 04/05.08.2015, as track washout occurred between Khirkiya-Bhiringi stations leading to cancellation of 515 trains services, diversion of 214 services and short termination of 05 services.
